Dear Timothy,

Application to Register – Credit Reporting Privacy Code (CR code)

Pursuant to section 26Q(4) of the Privacy Amendment Act, ARCA submits for registration the CR code, with variations to the draft submitted for registration on 1 July 2013.

On behalf of the ARCA Board, I request that, pursuant to section 26S, you decide to register this CR code.

On a personal note, I appreciate all the efforts of you and the staff at the OAIC over the past number of months. ARCA would especially like to thank Nina Yiannopoulos, Ben Gollan and Andrew Solomon for all of their hard work on the CR code.

Yours faithfully,

Redacted
